Start a company abroad!

With the implementation of specialized Start-up Visas, many countries are now revving up their startup space. Do you have dreams of starting a business somewhere exotic? Here are your options, and the best cities in each country.

- Australia - Sydney https://www.border.gov.au/Trav/Visa-1/132-
- Singapore https://www.startupdecisions.com.sg/singapore/relocation/entrepass/
- Canada - Montreal, Vancouver, Toronto http://www.cic.gc.ca/english/immigrate/business/start-up/index.asp
- Sweden - Stockholm https://www.migrationsverket.se/English/Private-individuals/Working-in-Sweden/Self-employment.html
- Switzerland - Zurich (Not a full-fledged program, but something like it...) https://www.swissinfo.ch/eng/self-employment/29236344
- U.K. - London (Only 200 awarded each year. Eek!) https://blog.migreat.com/2014/09/02/tier-1-exceptional-talent-for-tech-what-do-you-have-to-gainutm_sourceblogutm_mediumlinkutm_campaignaugustpushetv/)
- Japan - Fukuoka http://www.fukuoka-now.com/en/startup-visa/
- Israel - Tel Aviv (Not sure if the program been implemented yet?) https://www.israel21c.org/israel-to-offer-startup-visa-for-foreign-innovators/
- Poland - Warsaw http://startuppoland.org/en/knowledge/visa-policy-for-startups/
- Germany - Berlin http://www.make-it-in-germany.com/en/for-qualified-professionals/working/setting-up-a-business-in-germany/visa-for-self-employment
- France - Paris http://visa.lafrenchtech.com/
- Brazil - Sao Paulo https://www.google.it/url?
- Denmark - Copenhagen http://www.startupdenmark.info/

- Netherlands - Amsterdam https://ind.nl/en/work/Pages/Start-up.aspx
- Lithuania - Vilnius http://www.startuplithuania.lt/en/why-lithuania
